

DYNAMIC HARMONY TRAINING PROGRAM PROFOUND HEALING & ENSOULING

Workshop for Helping Professionals

LEARN TO HEAL WITH ENERGY PSYCHOTHERAPY

Learn transformational methods that will enable you to assist your clients / patients in accessing their greatest potential at all levels. Methods from ancient India, China, and Tibet are incorporated with cutting edge Western techniques to provide you with unique tools to transform your life as well as that of the people you work with. Learn and practice in class how to understand and remove blocks and patterns to become fully aligned with your capacity so you can then use this most effectively with your clients.

WORKSHOP CONTENTS:

- Learn how to use two methods to help you assess exactly where the person is stuck and what you need to do to help resolve the issues that limit their potential
- Learn very powerful methods to efficiently transform negative beliefs as well as to heal traumas and other emotional difficulties, including:
 - Very precise methods of visualization from India, Tibet and other sources
 - A profound method of forgiveness from Hawaii
 - Become skilled at using and trusting your intuition and your connection with your higher self.

BENEFITS OF TAKING THIS WORKSHOP:

- Greatly enrich your practice to help people heal from trauma and other difficulties very quickly
- Experience your clients' and patients' psycho-spiritual issues being resolved very quickly
- Enhance your clients' and patients' satisfaction with your work.

WHO THIS WORKSHOP IS FOR:

- Healers of various types, psychotherapists, psychologists, naturopaths and chiropractors, physicians, nurses, counselors, and other related professionals.
