

PHOENIX VISION TRAINING PROGRAM

Learn transformational methods that enable you to access your greatest potential at the level of Mind, Body & Spirit. Methods from ancient India, China, and Tibet are incorporated with cutting edge Western techniques to provide you with unique tools to transform your life. Learn how to understand and remove limiting beliefs, blocks and patterns to become fully aligned with your life purpose. Free yourself of fear and live in dynamic harmony!

PROFOUND HEALING & ENSOULING

This course teaches you how to heal yourself and help others quickly and profoundly. Become more connected with spirit at the level of mind, emotions, and body

- Use applied kinesiology (muscle testing) to assess limiting beliefs, blocks and patterns which inhibit growth
- Learn applied methods to efficiently heal traumas and other emotional difficulties
- Utilize healing visualizations to clear negativity by connecting with Spirit
- Become skilled at using and trusting your intuition

EMBRACE YOUR PATH & YOUR POWER

This course teaches you how to integrate yourself more fully with your life path and achieve personal goals. The focus of this course is to help you identify your personal life mission, based on self-knowledge, intuition, and connection with spirit in a supportive group environment. Those who are already on their life path will be assisted to go further. Learn how to overcome blocks that hinder growth and manifest personal power to achieve your highest good.

BODHISATTVAS IN TRAINING

A bodhisattva is someone who grows as much as possible in order to help alleviate the suffering of other beings. In this course we will:

- Gain a deeper understanding of this path
- Practice a variety of exercises to help us connect more fully with our higher self and our compassion
- Learn methods to help us do profound healing at our soul group level, connect with higher beings and practice distance healing
- Clarify your unique path to help healing others' suffering

PROFOUND HEALING for ADULT CHILDREN of DYSFUNCTIONAL FAMILIES - Workshop

- Learn about the relationship patterns in dysfunctional families and their impact on the children
- Use applied kinesiology to clearly identify what you need to heal
- Employ ancient and state of the art techniques to help heal the after-effects of growing up in a dysfunctional family
- Learn to use the gifts that result from your difficult childhood
